

DISTRICT OF LILLOOET
INFORMATION RELEASE

MARCH 26, 2020

Volunteers sought for Lillooet Community Response

The District of Lillooet is urging more community-minded volunteers to come forward to help with Lillooet Community Response, which is a locally-organized and operated system for delivering groceries and other necessities to individuals who are in self-isolation.

In response to the COVID-19 emergency, the Lillooet Community Response group has established a strict protocol for safe shopping and safe delivery to individuals who are in self-isolation or have compromised immune systems.

Now they are looking for more volunteers to help with increased requirements for dispatch, shopping and delivery to prepare for the needs of the future.

Volunteers must be willing to undergo training in proper safety procedures and to abide by those procedures.

Those interested in helping out should contact lillooetvolunteerconnect@gmail.com

If you are in self-isolation or immuno-compromised and need the services of Lillooet Community Response, email ask4help2shop@lillooet.ca or call 250-256-9394.
