

# Lillooet Area Trail Map

brought to you by

## Fraser River Lions Trail

Parking: 50° 40' 54.53" N 121° 55' 49.37" W Park in Cayoosh Campground close to the Bridge of the 23 Camels. Distance: 2.4 km (1.5 miles). Time: 45 min. one-way. **Difficulty: Easy to moderate.** Built by the Lillooet Lions Club in the 1990s, the Lions Trail is a staple for local hikers, traversing the bank of the Fraser River through diverse habitat affording breathtaking views of the mighty river.

## Bridges Walk

Parking: N50° 41' 43.4" W121° 56' 19.9" Park in lot behind REC Centre (access behind Museum). Distance: 8.7km (5.4 mi). Time: 1-hour jog, 2-hour walk. **Difficulty: Moderate.** Popular route with local runners, walkers and cyclists, crosses the Bridge of 23 Camels and the Old Suspension Bridge, offering gorgeous views of town and the famous river with fabulous mountain backdrops.

## Jade Walk

Parking: N50° 42' 21.7" W121° 55' 55.6" Park at Old Mill Plaza. Distance (Time): 2.4 km from mall to cemetery (30-45 minutes), 5.3 km for complete route (1 to 1.5 hours). **Difficulty: Easy to moderate.** This trail commemorates Lillooet's history as the site of the first jade mine in BC. Stroll down Lillooet's Main Street and enjoy over 30 unique pieces of jade, some weighing many tons. Pick up a brochure at KC Health & Gifts.

## Golden Mile of History

Parking: N50° 40' 97.9" W121° 55' 89.1" Park at Bridge of the 23 Camels. Distance: 4.5 km (2.8 miles). Time: 1 to 1.5 hours one-way. **Difficulty: Easy to moderate walk.** This walk highlights the many sights the Lillooet Historical Society recommends you enjoy in a town whose post-European contact history dates back to the Cariboo Gold Rush. Pick up a "Golden Mile" brochure at the Lillooet Museum and Visitor Info Centre.

## Red Rock Trail

Parking: N50° 41' 52.9" W121° 56' 65.9" Park in gravel cul-de-sac at west end of Victoria Street. Distance: 3.4 km (2 mi.) Time: 2 to 3-hour hike **Difficulty: Moderate to difficult**, 500 metres elevation gain. This popular route takes hikers to the famous Red Rock outcropping 500 metres above town, offering an astounding panorama of the Fraser River valley. Local flora and fauna abound. Take water with you.

## Sát'atqwa7 - The River

Parking: N50° 40' 51.2" W121° 55' 49.7" Park in parking area just off Powerhouse Road. Distance: 190 m to 2 km Time: 30 min. to 1 hour. **Difficulty: Easy** (rocky shoreline). A chance to get up close to the mighty Fraser River. Enjoy a walk through an active ecological restoration site that showcases our beautiful grasslands and Black Cottonwood ecosystem at the confluence of the Seton and Fraser Rivers.

## Naxwit Park

Parking: N50° 40' 25.1" W121° 58' 11.9" Park in beautiful, paved wayside park. Distance: 0.35 km (0.2 miles). Time: 10 minutes **Difficulty: Easy.** A short, easy walk along fast-moving Seton River offers the chance to see mountain goats on the cliffs above and other wildlife. Trails follow spawning channels full of salmon in season. Interpretive signage reveals local ecology and First Nations history.

## Seton Spawning Channels

Parking: N50° 40' 37.1" W121° 56' 39.7" Parking lot is off gravel road that is immediately west of Lightfoot Gas. Distance: 1.4 km (0.9 mi.) Time: 20 min. **Difficulty: Easy.** A pleasant loop around a man-made spawning stream complex built to assist the reproduction of the many species of salmon. When the salmon are running these streams harbour thousands of spawning fish. Now managed by the Sekw'el'was First Nation.

## Campground Trails

Parking: N50° 40' 06.2" W121° 58' 67.3" Park at BC Hydro Campground entrance. Distance: 3.3 kms (2 mi.) Time: 60 minutes. **Difficulty: Easy to moderate.** Two pretty loop walks connected by a steep hill. The loops go through forest, along Cayoosh Creek and offer awesome mountain views. Across Highway 99 from the upper bench you can access the incredible Seton Lake lookout.

## Canal Walk

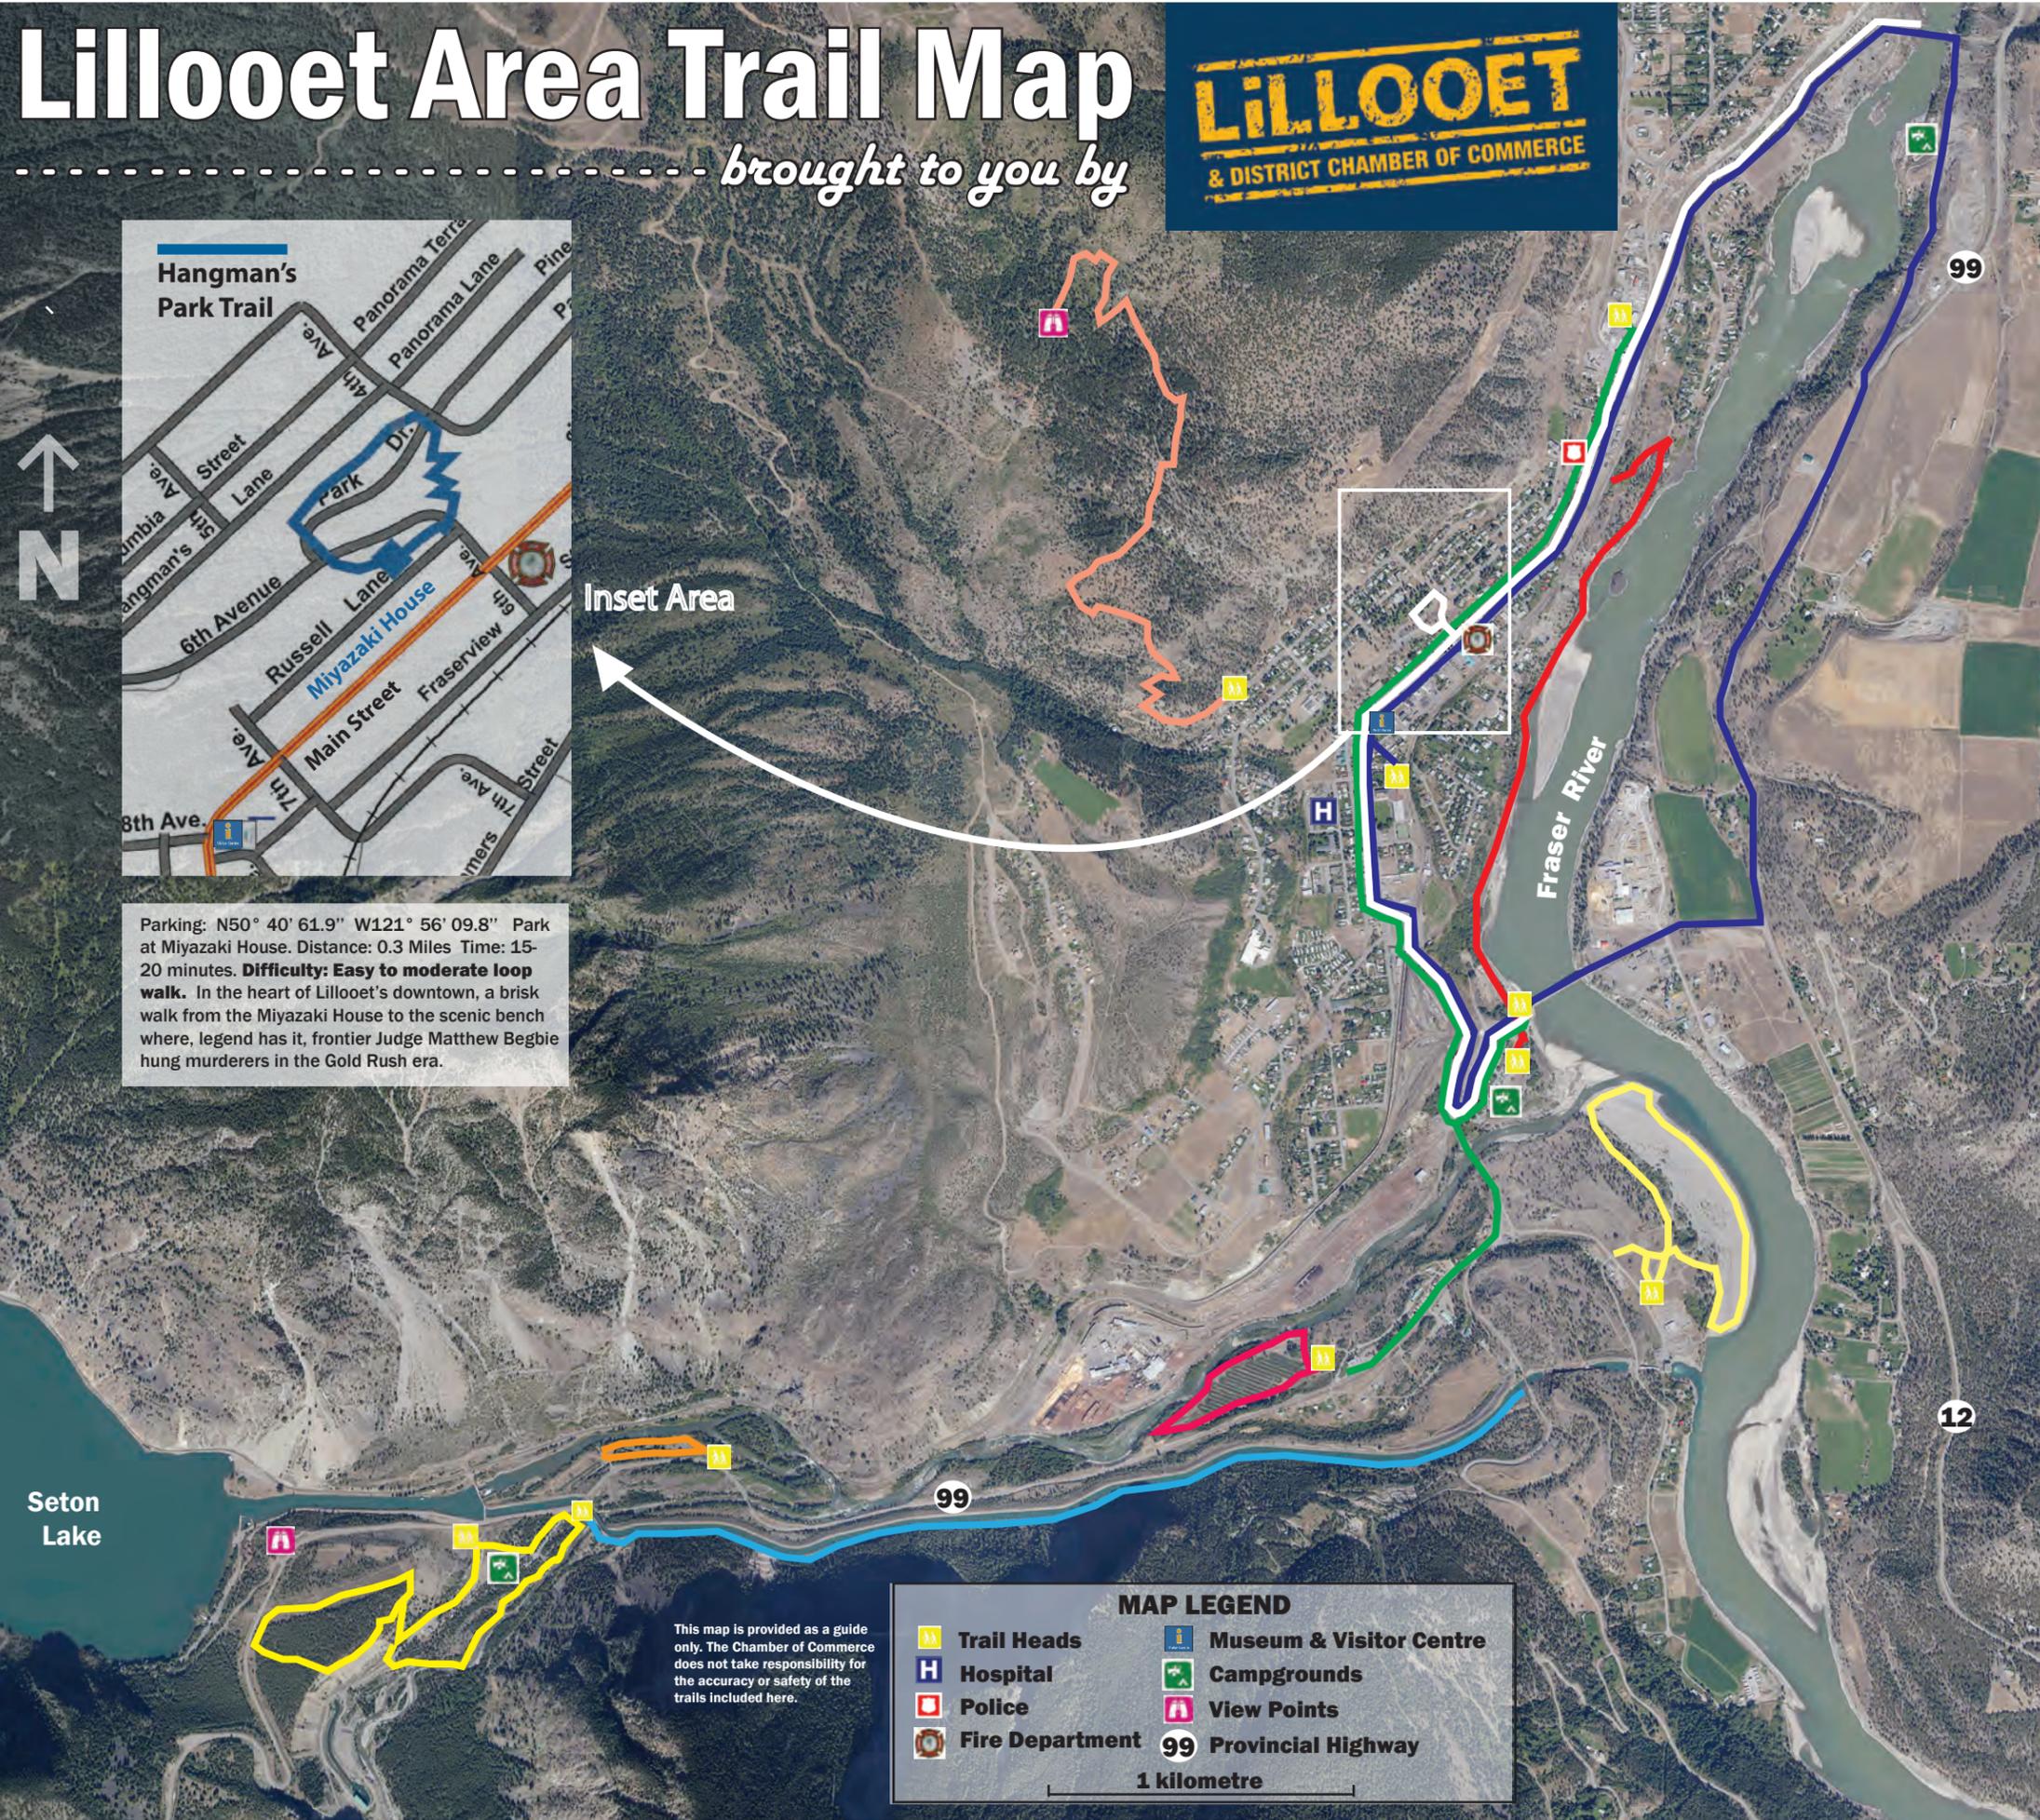

Parking: N50° 40' 14.1" W121° 58' 40.6" Park on immediate south side of Canal Bridge on Highway 99. Distance: 3.2 kms (2 mi.) one-way Time: 40 minutes **Difficulty: Easy.** On this level roadway along the south side of the BC Hydro canal which connects Seton Lake with the powerhouse on the Fraser, you walk in the shadow of the majestic towering cliffs at the base Mt. Brew. Watch for waterfowl on the canal.

**Thanks to Fort Berens Estate Winery, the District of Lillooet, the Lillooet Naturalist Society, the Lillooet Historical Society and Sekw'el'was First Nation for their help with this project. For more trails and information, pick up a copy of 'Canyon to Alpine, the Lillooet Hiking Guide.'**

Parking: N50° 40' 61.9" W121° 56' 09.8" Park at Miyazaki House. Distance: 0.3 Miles Time: 15-20 minutes. **Difficulty: Easy to moderate loop walk.** In the heart of Lillooet's downtown, a brisk walk from the Miyazaki House to the scenic bench where, legend has it, frontier Judge Matthew Begbie hung murderers in the Gold Rush era.
