

DISTRICT OF LILLOOET SUMMER STUDENT EMPLOYMENT

The District of Lillooet plans to hire two Public Works Students for a period of May 30th to September 16th, and one Engineering Tech Student for the period of May 30th to July 22nd, 2022. Youth between the ages of 15 and 30 who are legally entitled to work in Canada will be considered.

Public Works Students will work 40 hours per week while the Engineering Tech Student will work 35 hours per week. These positions fall under the Collective Agreement of the Canadian Union of Public Employees Local 173.

Public Works Students will assist with Public Works activities including landscaping operations such as maintenance of green spaces, playing fields, parks, cemeteries, and washroom facilities as well as road and sidewalk maintenance.

The Engineering Tech student will assist in the District's water metering program, street lighting and document control. Engineering students preferred.

The Engineering Tech Student position is partially funded with assistance through the Canada Summer Jobs Program. Additional details are available on the District website, www.lillooetbc.ca

Position Name	Rate of Pay
